- 1st tee and 9th green now adjacent to help play and circulation.
- Ongoing drainage work to help play during bad weather
- New plots added behind the 'new' 5th green
- Park Pool edge cleared of brush and undergrowth
- New scorecards will follow
- Please follow the new course layout from day 1

Welcome Back to Arrow Bank

Well we can't believe just where the time has gone! It only feels like yesterday since we said goodbye and yet it feels like it has taken forever to reach March 1st.

In a mere 12 weeks we have been very busy out on park, finishing the new reception, creating more of the riverside path, developing plots and siting holiday homes.

Hello or Ciao maybe!

We're Kevin and Barbara and we've just joined the Arrow Bank team as park managers.

After twelve years living and working on a holiday park and enjoying the 'La Dolce Vita' 'in Italy, we've returned to 'Old Blighty' to settle down, find new challenges and make new friends.

We're really excited about living in such a beautiful location and getting to know you all and we'll do our very best to make your stay a really exceptional one.

Please pop by reception to say hello or stop us when you see us out and about. We're great foodies so if you'd like to exchange any recipes, we've got some cracking Italian ones to share!

See you soon!

Kevin and Barbara

The first floor Gallery has spectacular views across the park and offers privacy within lovely surroundings. Please take the time to come in and say hello, we would love to show you around.

Thank you to Alex and the team for giving us such a marvellous environment to work in and for others to experience.

Reminders for Reconnection:

As ever there is a rush to have your holiday home reconnected for the beginning of March, and this year has been no exception. Please give us as much time / notice as possible to reconnect your holiday home so that you are not disappointed, and heed some general advice:

- Try not to arrive for the first time after hours - so we can help you should there be any problems
- When you turn your water back on, spend some time checking through the holiday home to make sure all is OK
- Always remember to turn your water off when you leave your holiday home

New for 2017 at Arrow Bank we have:

Riverside Path

Work on the riverside path has continued throughout the winter months with new sections added. It is lovely to stroll along the river bank and each new piece of the puzzle adds to the special atmosphere at Arrow Bank.

There are just a few short stretches to complete the path and a whole new part of the park will be accessible for all to enjoy. Until the path is complete please respect the privacy of owners and do not walk across holiday home plots.

Composite Decking

After months of research we have finally introduced a new composite decking material. This looks the same as our current timber decking, it even has a grooved floor board, and will reduce maintenance for ever, meaning you can spend more time enjoying yourself and less time refurbishing!

We have a full decking constructed and ready to view at Pearl Lake, or ask for details in Arrow Bank reception.

Communal Butterfly & Bee Garden Competition

Soon you will see Communal Gardens on the entrance to Riverside, Kingfisher, Meadow View and Willow View. You will plant some Butterfly and Bee friendly plants, after that it is up to you to 'dig-in' add plants and keep the garden in your area tidy.

They will be judged throughout the year and a prize given later this year for the best looking Garden.

Which area is the most green-fingered? We're about to find out!

Ask in reception for more details.

Say Hi, to Maddy

Maddy has joined the Discover Parks team as the Accounts Manager.

You may see Maddy's name on any account information you receive.

Based at Arrow Bank she will be working tirelessly behind the scenes.
