Arrow Bank
Country Holiday Park

Now let the sun shine bright
on my happy summer home

How low can you go?

Limbo, coconuts, steel band music, cocktails and grass skirts and a little bit of reggae. Well maybe not all of those, but we will have a Caribbean themed party on Saturday August 26th (Bank Holiday weekend) Caribbean curries to eat, hula hoops to get those hips swinging and a fancy dress competition - Bob Marley dudes and Island Goddesses!

So brush up on your laid back attitude (Yeah Mon), start listening to Bob Marley ('cause every little thing is gonna be alright) and dig out the Hawaiian shirts (ok maybe not so Caribbean) from the back of the wardrobe (top drawer for some of you!) grab the broom stick and limbo on down to the party.

Details to follow, as soon as I can get out of this hammock!

Party Caribbean

Fastershire

It finally happened.

After finding a work-round for the last couple of years we have now managed to change the park wi-fi signal over to a fibre broadband line (Hurray).

Now, this will not only offer faster download speeds but also a more stable signal. All in all a much better browsing experience for all concerned. The voucher system will remain the same.

This will be subject to slower speeds during times of high usage.

Bee nice

Forget Johnny B. Goode we've got Jo Bee Garden!

A bee friendly planter all built, planted by our lovely Jo and ready to go to help our most important visitors to keep doing what they do best. Buy one for your holiday home and save our bees! Call in to reception for more details & place your order.

Shobdon Food & Flying Festival 2017

Someone up there was smiling on the Festival this year!

Once the decision was taken to move from the traditional 'last weekend in June' to the first weekend in July everything just fell in to place. The crowds, the atmosphere, the weather (wow!), the stalls, the air shows...the list could go on and on.

It is a huge pleasure to be a part of this fantastic event and it is such a joy to see so many of you taking the time to visit the show, and we hope the minibus helps save weary legs for the trip home after spending the afternoon sampling the wonderful local produce!

Treat yourself Tuesday

As there is no establishment in which to treat yourself to a meal out (Tuesdays in Eardisland) why not take the opportunity to pop up to Pearl Lake and sample the new summer menu @ Lakeside. A great choice of food and drink and a lovely location overlooking the bowling green. While away the hours on the sun-deck and turn it into a long lazy summer's evening.

It's good to be prepared

The community defibrillator, sited in the BT phone box by the bus shelter, is now live and logged onto West Midlands Ambulance Service's system. In an emergency dial 999 and give the ID number from the notice in the box. WMAS will give you the code to open the storage cabinet to take the defibrillator and equipment to the casualty.

Please let the office know if you would like a first aid refresher course. We will look at the numbers and bring everyone together for a single date.

Hit me with your best shot

For all you budding photographers and the happy snappers out there, if you would like to see your images in the 2018 calendar please submit high-res versions (digital not print if possible) to the office. Showing the fabulous park atmosphere, surroundings and activities, images can be colour or black and white.

Owners Questionnaire

Since purchasing Arrow Bank in 2012 we have worked hard to improve the park and keep standards high. We are proud of both our park and people, however constructive criticism, suggestions and even a little praise all help us to know what we are doing right and what could be done better. Sing our praises or get it off your chest, it's time to have your say. Please complete the enclosed questionnaire and hand it back in to the office.

Whingers Corner

Round 2 (Back by popular request)

It helps the office staff to keep the park running smoothly if we are aware of any visiting trades, deliveries or any planned activity. In particular the presence of private workmen on park can be disruptive to both our work plans and other owners quiet time.

We ask this as a matter of courtesy as we ourselves need to plan for large vehicles arriving that can be time precious (concrete) and clear access around the park is very important. As the school holidays approach there will also be more children on park and this should heighten our awareness of traffic and speed limits.
