Pemberton Rivington

At Rockbridge Country Holiday Park

This pre-owned Rivington is perfect for those who appreciate a modern, open-plan design.

One of its standout features is the expansive sliding patio doors that stretch almost the entire width of the living space, offering breathtaking, uninterrupted views and takes you onto the wrap around decking.

The interior combines dark teak open shelving with a sleek, glossy TV unit, creating a chic, retro vibe. The lounge is bright and spacious, featuring a large, five-seater sofa and a stylish accent chair. For dining, you can choose between a breakfast bar or the more formal dining area. The kitchen is well-equipped with an integrated fridge-freezer, fitted microwave, generous hob, and oven, plus plenty of storage and counter space. A frosted glass door and full-length window invite additional light into the room.

The master bedroom is equally impressive, boasting a king-size bed and an ensuite with a bath – a rare and luxurious feature in Holiday Homes. The calming colour palette creates a relaxing atmosphere, perfect for unwinding with a good book.
