Whether you're a family looking to explore the great British countryside, or a couple searching for unparalleled relaxation, you can't go wrong with The Clarendon.

This lovely model has just come back in to stock, could it be the model you are looking for?

The colour palette is warm, contemporary, relaxing and inviting.

This 40' x 12'6" model has 2 bedrooms.

Welcoming and homely with plush furnishing and quality finishing touches, it's your very own sanctuary from the hustle and bustle of modern life.

A semi-open plan living area defines the main space well and balances the social aspect through kitchen, dining and lounge.

The impressive master bedroom occupies the entire width of the holiday home.

With its abundant space and extensive storage, it's the perfect home-from-home for the whole family to enjoy.
