The Vermillion gives you a fantastic opportunity to own a caravan holiday home on a 5 Star holiday park.

This pre owned model has an open plan living area and stylish touches that make it more like a studio apartment than a caravan holiday home.

Two large leather sofas grace the lounge; the dining area sits next to a large mirror and opposite the fully equipped kitchen. There is a twin bedroom for family or guests, a family shower room and, last but not least, the master bedroom. This has a walk-in wardrobe with dressing table secreted away in a nice design twist.

You'll be charmed, you'll be seduced, you'll be glad you came to look at the Victory Vermillion.
