The BK Sherbourne is lovely through and through.

This 2010 model is in fantastic condition and a real joy to view. The open plan living area is deceptively spacious. There is plenty of seating in the lounge and this leads to a dining area with free standing table & chairs and a fully equipped kitchen.

The family shower room compliments the layout, adequately serving the double and twin bedroom.

A great introduction to holiday home ownership.

Currently on display at Arrow Bank, this model can also be sited at Pearl Lake.
