### ABI Alderley Premier

The Alderley is light, calming and spacious. A relaxing interior where you feel the stress fall away and the relaxation flood through you.

An open plan living area fronted by outlook patio doors is full of light. Large sofas make the most of the lounge area where you can take in the view or cosy around the fire for family nights in.

The fully fitted kitchen is next to a dining area for up to 4 people. The hallway leads to a twin bedroom and a family shower room. The master bedroom has plenty of storage and wardrobe space, a dressing table and an en-suite w.c.

This model is on display at Pearl Lake.
