ABI Windermere

There's an unmistakable country charm about The Windermere. From the rustic looking floor to its checked curtains and headboards, not forgetting the flowery finishes, its interior echoes a rural way of life. No wonder every stay here feels calm and peaceful.

Little soothes the soul like a summer's day in the country. And that's what inspired The Windermere. Sky blues, yellowy greens and cloud-like hues complement pretty floral prints and wood details to give it rural character.
