£79,995

ABI Langdale

Escape the world in this 'Scandi' inspired bolthole.

The Langdale, with sleek beech details and uber cool stove, transports you to another place entirely – on a Nordic adventure here in Great Britain.

Eat, sleep and unwind 'Scandi' style in The Langdale. Its kitchen isn't just seriously slick, but well-appointed to boot – you can whip up a whole smorgasbord of comfort food here. Its modern ambience and chunky sofa are invitation enough to cosy up not just on dark nights.

Entering through the side hallway – a very practical space, the main open plan living area is to your left. There is a family shower room, a twin bedroom and a master bedroom with en-suite shower room.
