- Front decking

### Swift Moselle Lodge

This beautiful light and spacious lodge is available to view at Arrow Bank.

The side entrance introduces you to the kitchen dining area, with the living room as a backdrop with the light coming in from the large, sliding patio doors.

The kitchen comes with a dishwasher and has a dining area for 4 people. The lounge has a large corner sofa that makes the most of the lovely light through the summer, as well as suiting a cosy night in front of the TV. There is plenty of storage space throughout the open plan living area.

A family shower room and a twin bedroom make great spaces for family and friends to stay too. The master bedroom has a king size bed (lifts up with storage underneath) and a fabulous en-suite bathroom (yes, with a bath!)

More information can be gathered from the office on 01544 388312 or please email us
