ABI St David

Available at Arrow Bank Country Holiday Park

The brand new St David is light, bright and inviting. Fabulous for entertaining or a cosy night in.

A side entrance door brings you into the open plan living area. A fully equipped kitchen with adjacent dining area for 4 people and looks through the lounge to the patio doors. The lounge takes full advantage of the natural light from the patio doors and also offers a sofa bed, creating additional sleeping space for friends or family.

There is a family shower room opposite the guest twin bedroom, and the master bedroom has the perfect addition of an en-suite shower with sink and w.c.

With gentle colours throughout, the St David is restful and inviting. Perfect for weekends away and extended holidays.
