Regal Autograph

Positioned on a prime plot overlooking the ornamental pond at Arrow Bank, the Regal Autograph has decking included and is perfectly suited to those seeking peaceful getaways in a naturally stunning location.

You enter into a spacious entrance hallway offering separation between the living space and the more private bedroom areas. The lounge has smart wood panelling and a vaulted ceiling elevate the space, while a wall-mounted television and freestanding sofas create an inviting setting.

In the kitchen, clean lines and contemporary finishes define the design. A gas hob and oven, integrated microwave and fridge/freezer are seamlessly incorporated into the cabinetry. The vertical radiator adds a modern edge, while the bench-style dinette seating, with cleverly integrated storage, ensures a sociable and practical area for shared meals.

The master bedroom offers a true sanctuary, featuring a super king-sized bed, a stylish dressing area with statement mirrors, generous walk-in wardrobe space, and a private en-suite shower room. The twin bedroom, equally well-appointed, includes two full-sized single beds and built-in storage, conveniently located beside the contemporary family shower room.
